**DATE:** October 13, 2004

**SUBJECT:** Physical Inventory

**EFFECTIVE:** October 28-29, 2004

Dear Valued Customers:

It's time again for Tuthill Transport Technologies to conduct a physical inventory count. During this occasion, on October 28 and 29, 2004, our shipping department in Mt. Vernon, MO will not be in operation. Customer service and our corporate offices will remain open for business and will be available to you for any assistance. We will resume normal shipping operations on November 1.

Tuthill Transport Technologies apologizes for any inconvenience this may cause. Please be sure to remember these dates while placing your orders or scheduling their arrival.

Please call 1-800-753-0050 for further information. Thank you for your cooperation.
